# Company Profile

---

- **Headquarter:** CHAUNG CHOUNG TECHNOLOGY
- **Founded** : Dec.14. 1973
- **Address** : 12F,No.123-1,Xingda Road, Sanchung,  
New Taipei City, Taiwan
- **Capital** : NT\$ 863,434 (K)
- **Main Business:** Heat Sink & Thermal Solutions
- **WW Factories & Offices:**

超眾 CCI

# WW Factories & Offices

**CHAUNG CHONG TECHNOLOGY-**  
New Taipei City, Taiwan

**JUE-CHONG ELECTRONICS-**  
Kunshan, Jiangsu

**CYUNSIANG HI TECH-**  
Chongqing

**CCI AMERICA INC- Austin, USA**

**CCI AMERICA INC- CA, USA**

# Main Products

- Heat Pipe
- Vapor Chamber

- Thermal Module

- Liquid Cooling Key Component
- Thermal Cosmetic Cover

# Product Features – 3S

• Slight

• Slim

• Strong & Hi power

- Interface less Hi-Performance Heat Exchanger Technology

- Rugged Heat Pipe / Vapor Chamber Technology

- Flexible Manufacturing in House Building

# Prospect

- 1. Demand growth of multiple applications: Intelligent + AI, IoT, 5G, Cloud Computing, Edge computing, Data Center, HPC, VR/AR/MR, Smart Electronic, Autonomous Vehicle, Liquid cooling, etc. Thermal solution is diversifying. CCI is tech. leading and looking forward to enjoy business one more step ahead.**
- 2. Continue to enhance Core-Technology capability: 3S**
  - Dedicate RD efforts to Slight, Slim, Strong thermal technology
  - Expand capacity of Heat Pipe, Vapor Chamber, Thermal Module to fulfill demand increasing.
- 3. Environmental Friendly and Reduce Emission:**
  - Reach low (zero) carbon emission, meet RBA (EICC) criteria, reasonable working environments and social responsibility.
  - Speedup automation processes and improve productivity.

# Thanks for Attention
